

A modern living room interior featuring a grey sectional sofa with several patterned and solid-colored cushions. To the left is a pink velvet armchair with a matching ottoman. In the center, a black coffee table with a dog-shaped base holds a vase of red tulips. To the right, a dark grey cylindrical side table holds an open book. Large floor-to-ceiling windows in the background offer a view of greenery and buildings. The room is decorated with various potted plants, a black floor lamp, and a framed abstract painting on the wall.
