

A modern, bright living room with light wood flooring and white walls. In the foreground, two teal armchairs with light grey cushions are positioned on either side of a small rug with a green and white geometric pattern. To the left, a long wooden shelf is supported by a wall of stacked cork blocks, with three oval mirrors hanging above it. A tall potted plant stands next to the shelf. In the background, a staircase with wooden steps and a glass railing leads to an upper level. Further back, a dining area with a wooden table and red chairs is visible. Large windows on the right side of the room are covered with grey curtains, and a large green glass bottle and a dark sculpture are placed near the windows.
